

WASHINGTON-Congressman Spencer Bachus and staff eagerly await the delivery of enough ice cream to feed the entire office this Thursday at noon. Congressman David Price will be delivering Croonin' Clay's Carolina Crunch, a creation of Chapel Hill's Maple View Farm. "We were very confident that Ruben's talent and charisma would result in victory. The Tar Heels owe us ice cream. Ruben is a wonderful representative of the entire state of Alabama and we are all proud of him", Congressman Bachus said.
